Demonology - Wikipedia

Demonology is the study of demons or beliefs about demons, especially the methods used to summon and control them. The original sense of “demon”, from the time of Homer onward, was a benevolent being, but in English the name now holds connotations of malevolence. (To keep the distinction, when referring to the word in its original Greek meaning, English may use the spelling "Daemon" or "Daimon".)

Incubus - Wikipedia

An incubus is a demon in male form who, according to mythological and legendary traditions, lies upon sleeping women in order to engage in sexual activity with them. Its female counterpart is a succubus. Salacious tales of incubi and succubi have been told for many centuries in traditional societies. Some traditions hold that repeated sexual activity with an incubus or succubus may result in ...

Christian Rock: Exposed - Dial-the-Truth Ministries

If the Christian bookstores were shocked by the occult symbols decorating The Fundamental Elements of Southtown, the occult artistry of P.O.D.’s 2003 release, Payable on Death should (and did!) send them into spiritual cardiac arrest!. In over 25 years of researching occult influences in rock music, P.O.D.s album Payable on Death artwork is clearly among the most openly occult and dark I ...
